July 2022

REMINDER!! This is the month that we change the newsletter to being on line. The newsletter will be on the Resident Portal. To get into the portal, go to <https://resident.olympicvillagesp.com> If you are having problems, call Derek Buckley at:

Due to another up-tick in Covid-19, we feel that for safety the July 12th quarterly meeting/potluck should be cancelled at this time. We will schedule the quarterly meeting when we deem it safe. Safety for the residents is the main priority

However, there will be coffee at 9am on Thursday, July 21. We will have it outside on the patio. There are a picnic table and 4 folding chairs. Please bring a chair with you if you can. You need not sign up, just come and go as you please.

The Mission BBQ will be on August 9th. If you'd like to come, the cost is \$15 per person. Put your cash or check payment (made out to Vickie Peterson) in the white box inside the clubhouse.

Thank you to all residents for signing up for security of the clubhouse. Please continue to sign up and take your turn. The sign-up sheet is on the bulletin board in the clubhouse.

MYSTERY TOUR WILL BE IN THE FALL

Our host for the Mystery Picnic has many commitments in July. August may be too warm for an outdoor event. We will plan for a fall outing in September or early October. Details will be finalized and announced in the newsletter at the end of July.

THANK YOU

Now that I am home and among the living, I would like to thank everyone who thought of me during my two-weeks stay in ICU and the Cardiac Unit of St. Mary's. I cannot thank you enough for visits to me; for cards, prayers and good wishes; calling me and Polly; and bringing food. I feel as if I have been given a second chance at life and I am truly grateful. FYI, I have Congestive Heart Failure with Respiratory Distress. We are thankful to live in Olympic Village with such wonderful people.

Thanks again.

ADDITIONS/CORRECTIONS for the DIRECTORY

I wrote here that a new edition of the directory wouldn't be printed for some time, but there are too many corrections and additions. Once I get the names of all the new people moving in, I'll get a new directory printed out for everyone. So if there is something that needs to be added or corrected, now is the time to let me know!
