Presidents Letter:

Our October quarterly meeting covered a lot of important items!

I would like to personally thank Sue Stang and Mary Davison for accepting the nominations for President and Vice President for Olympic Village. I feel that they will make decisions that are best for the entire Village. Please welcome their ideas and help them with volunteering when needed.

The potluck was a success with so many delicious foods and desserts! Thanks to all who brought such wonderful recipes that we were able to enjoy.

An updated By-Laws for the OV Residents' Association, Inc. were presented and voted on by the residents who attended this meeting. There were not any major changes to the By-Laws. The name did change to, OV RESIDENTS' ASSOCIATION, Inc. The Sun Shine Chair is going to Polly Ruff, starting November 1st.

We have lost another resident, Jerry Paulson. I would like to ask everyone to take a moment to say a prayer for all of the residents we have lost this year. We are one big family living here, and let's try to realize how precious our time on earth is.

Olympic Village Inc. Board of Directors:

Thanks to the Committees that were created by the OVI Board of Directors for their reports. The four main committees will report to the residents on a Semi-annual basis. Nancy Veenendaal did a great job in putting this information together, printing it and having it available for our residents at the Quarterly Meeting. This information is to give the residents a snapshot of what has been done, is being done and any future plans. There was a copy for each Unit available at the meeting. If you didn't take your copy or weren't there to receive it, please, stop by the Club House and pick yours up. They each have the unit number on it.

Would any other residents like to open up their homes for the Holidays? It is so nice to sit around and visit for a short period of time with friends and neighbors during the Holidays.

You don't need to have the Martha Stewart touch. This is just to enjoy each other's company away from the Club House. For more information, you can reach Dianne Schultz at 608-318-1778.

She will be happy to fill you in on all the details that are available at this time. This is still in the planning phase.

Reminders and Notices from your RCM.

Cold temperatures have arrived. Please **turn off exterior water** for your complex if it is located in your unit. Jim will be around in the first couple of weeks to double check and assist if needed.

Snow will be here before we know it. I want to remind residents of Olympic Village that Jim will not know the exact time that plows will arrive to clear the village. Unless it is an emergency, please do not contact Jim with these inquiries. Per the resident agreement, snow falls in excess of one half inch will be cleared within 24 hours of the snow stopping. We are utilizing a new vendor this winter. They have asked that decorative items or planters be at least one foot away from the sidewalk/driveway edge. If concerns arise, please notify Janelle Taylor, RCM at (608)662-8906.

Holiday Décor- The holidays are approaching. Please be mindful of your rules of residency when selecting your decor. Exterior holiday displays are permitted but must not include items such as blow-up decorations, flashing, or projecting lights. Do not hang décor from your exterior garage lights.
