PRESIDENT'S LETTER

A house keeping item - Jim Falk will be gone on Friday, March 1st. If you need to reach Maintenance for emergency service, call the number for Maintenance and you will be transferred to the backup.

I sure hope Jimmy the Ground Hog is right. By the time this gets out to the residents, we only have 18 days to the first day of spring.

Well, the men of OV know how to pull off another great breakfast. We couldn't ask for a nicer February morning, with the sun shining, no snow or wind, the roads were dry for the ladies walking to the Club House. Everything looked so festive and special. I liked the way they did the table cloths, something I haven't seen before. The men really went that extra mile using the fine dishes, glasses and silverware. I'll tell you the service from the greeters, the bartender, the servers, and of course the sous chefs and Executive Chefs Jeff Froh and Bob Peterson have my vote of excellence.

We can't forget the leader of the pack and the great MC, Hank Ruff. He loves doing this for all of us. He starts his planning the first of the year. The flowers, the candy, who is planning to do what. He makes sure the chefs have their menu ready and what supplies are needed. He has the budget that he follows and keeps track all along the way. I guess that is the accountant in him. This year his goal was to make it special for the ladies that are known as "Nonagenarians." A person between 90 and 99 and we have four lovely ladies, Jane Miller, 91, is in the freshman class. Shirley Hargraves, 93, sophomore, and Jan Hansen, 96, junior. Mary Scholidon has the honor to be the senior member at 99. I for one, want to know their secret. I asked, and all they would tell me it's from good clean living.

Don't forget to check the Activity section for a couple of items coming up in March. March 12th, Ron Lostetter will be going through the OV 2024 budget at the Club House at 10am. And March 16th, we can celebrate St Patrick's Day at the Roadside Grill in Windsor. March 11th is the deadline to sign up.

Sue Stang, President

RESIDENTS ON THE MOVE

We have a new neighbor that has moved into 912; welcome Sharon Carroll. We had a neighbor move the middle of February; Rose Zeisler, unit 832, moved to a new facility. We wish her the best.

The status of the available units:

- Unit 832 renovations will begin in the near future
- Unit 892 is still being renovated
- Unit 938 is still being renovated (Not 936 as posted in February)

RESIDENTS CORNER

In March there are plans to spruce up the entrance of the Club House; a little hole patching and a little paint on one wall. We want to keep the coat closet looking like a closet and not a storage area. All the information material will be moved to the hallway that leads to the restrooms.

There will be labeled wall baskets for some of the information material and some will be on the bulletin board. Please note these are for information flyers only and no soliciting in any manner is permitted at OV. The extra paper products, TP, paper towels are now being stored in the lady's bathroom.

The library looks very nice and neat thanks to Phyllis and Cris. Please help them by returning the books to the blue basket and stacking the puzzles nice and neat.

Next Foot Care Clinic will be April 4th. For appointments or information, please contact Jane Miller 608 318-0856

ACTIVITIES

Tuesday March 12th 10:00, Ron Lostetter will be presenting the OV 2024 Budget Report. Please join us at the Club House. There will be coffee for sure.

SUN PRAIRIE – CONSTRUCTION SEASON IS UPON US

The City of Sun Prairie will be resurfacing O’Keeffe Avenue from the roundabout at Summerfield Way to Sunfield Street. This project will include the replacement of the existing asphalt pavement, spot repairs to the sidewalk, curb, and gutter, 1-1/2” overlay of the exiting multi-purpose path along the east side of O’Keeffe and extending that path from Hunter’s Trail to Linnerud Drive by replacing the existing sidewalk with a new 10’ path. Construction will take place this summer and should take 60 days to complete from the start of construction. Project plans, schedule and updates will be available on the City Engineering page www.cityofsunprairie.com/293/Engineering.
