## PRESIDENT'S LETTER

Summer is finally here and the weather seems to be getting crazier every year. I'm glad I'm at an age where I don't have to be planning outdoor activities such as graduations parties, wedding receptions or big family picnics. Those are all jobs that the next generation should be taking over. It's stressful enough just planning what clothes we might need just to attend these outdoor activities.

You may have noticed that the whiskey barrels have been removed from behind the unit 842-848. There are four at the Club House and other locations around the Village. For years Nancy Veenendaal and Donna Zink have been the keepers of the 8 barrels and flowers. Those flowers were always beautiful all summer long. I want to THANK Nancy and Donna for everything they put into keeping the barrels stained and giving the flowers such tender loving care, all those years.

Our wild life is still hanging around. The geese and their young are always there. We only wish that they would stay in their area. They don't follow directions. They've been told, they cannot come within 35 feet of our patios, and the road is only for people and cars, also there should be no fighting or flying into the pond before 9:00am. There is something fun to report, there was a fawn resting one morning behind the units 902-908 and also behind Davison's another day. Most would say, this little one is a welcomed guest.

Happy Summer and be safe.

Sue Stang, President

## BIRTHDAYS THIS MONTH

3rd	Leon Veith
7th	Heartha Faber
9th	Dorothy Suchomel
11th	David Schultz
12th	Ted Mayn
15th	Buzz Lassow
22nd	Mary Scholidon
29th	Rose Meffert

## WINDOW WASHING INFORMATION

Our resident Window Washers are trained and ready to go. Olympic Village has purchased professional equipment for this project. There are 2 teams of 5 that will be working together, so once they start it will go quite fast.

The scheduled date to start washing the outside windows is Friday, June 21st starting at 7am. Screens need to be removed prior to that. If your screens are not removed, your windows will not be washed.

The South end of the Village units 942-998 may be washed sooner. There is nothing scheduled that could get in the way such as new roofs. Residents getting their windows washed will be notified and so will Jim if he needs to remove the screens.

Note: Units 832-838; 882-888 and 892-898 will not be washed until the new roofs are completed.

There may be some early start dates if time permits. These units will be notified.

### Resident Assignments for the Window Washing

- Let Sharon Wagner know if you DON'T want your windows washed. Call or message Sharon 608-628-9765.
- Let Sharon Wagner know if you NEED JIM TO REMOVE YOUR SCREENS. Call or message Sharon, 608-628-9765.

## FOOT CARE CLINIC

Thursday June 6th To scheduling future appointments or questions, please contact Jane Miller 608 318-0856. The next scheduled date is Thursday August 1st.

## JUNE ACTIVITIES

There are a few changes to the prescheduled activities.

Arts and Crafts are taking the SUMMER off. They will pick up again, the second Wednesday in September which is the 11th. These are held the 2nd and 4th Wednesdays at 2pm.

There will NOT be Coffee the 3rd Thursday, June 20th. In place of the Coffee, the Association will be holding a Birthday Party for Mary Scholidon 100th Birthday on Saturday June 22nd at 1pm.

The rest of prescheduled activities are the same day and time.

Saturday June 1st will be the start of Sitting Under the Berry Tree at 928 starting at 3pm. This is for ALL OV residents. It's just like when we gather at the Club House for a dinner or meeting, we gather as friends and neighbors.

The gathering place can always change if someone wants it at their place or an area between places. Just let us know a week or so before, so we can get the word out when and where it's going to be held.

It's a very simple setup, you bring a lawn chair if you have one, if you don't, there are a few extras. Maybe a neighbor can help you out there. There is always free parking for scooters and walkers. Sometimes there could be 5 or 6 people and other times there can be 10 or more. We invite folks to gather even if Dave and Dianne Schultz 928 are not home.

Tuesday June 11th IT'S HERE!!!! The Salad Luncheon is here. Come on down at 11:15 to visit with friends. We'll begin serving at 12 noon. There may even be some prizes. There is a signup sheet on the bulletin board to let us know who will be joining us. This is a pot-luck type of salad luncheon so when you signup mark the type of salad you plan on being. That helps the hosts in keeping things evened out. There will be some hot casseroles for those hardy eaters.

Saturday June 22nd This is your official invitation to the CELEBRATION of Mary Scholidon's 100th Birthday. This is at the Club House starting at 1:00pm. There will be refreshments served and time to visit with Mary. Mary loves to share her stories about being born and raised in England and moving to the US during WWII era, and her life since then. There will be a number of Mary's friends from outside of the Village that will be attending. It would help if you could sign up on the bulletin board, so we have an idea of the number who plan on attending.

Tuesday June 25th Birthday Bingo 6:00 at the Club House

## **UP COMING ACTIVITIES**

Tuesday July 9th Quarterly Meeting and Pot-luck

Tuesday August 13th The 3rd OV Independence Cookout/Picnic

## **REMINDERS**

With summer just around the corner, be sure that you have had your furnace filter replaced in the last 3 months. These filters are available at no cost to you. Just fill out a work order, or stop down at the Club House and Jim will give you one.

There is still a need for some volunteers to create a committee for Club House Improvements or Changes. This is where suggestions will be presented to the OVRA for review. Involved are things what could make the Club House more pleasing and more useful for all. Please put your nomination in the White Box.

## **LANDSCAPE COMMITTEE**

There has been a lot of time spent walking around the Village and making plans for improvements. These are some of the things that are being discussed. There are still trees and bushes that either need to be removed or trimmed. The type of replacement trees or bushes is still in discussion. The Committee and Attic Angels Management, have made it clear that replacements of bushes or trees will be done by the Landscape Committee. Residents should not be doing this themselves.

## **RESIDENTS ON THE MOVE**

Nice to report, we don't have any existing residents on the move. That's always a very good thing.

At the end of April there were 4 empty units and now the end of May, all our units are filled or going to be filled very soon.

Unit 938 Ruth Eckert has moved in.  
Unit 892 Joe and Peggy Bertone have moved in.  
Unit 832 Paul and Cheryl Beckman are closing in June  
Unit 826 Is Reserved

## **RESIDENT CORNER**

A BIG THANK YOU to Sue Stang, Pat Werren and Carolyn Riley (SPC and Company) for catering our South of the Boarder Fiesta held at the Club House May 14th. It was a lot of fun. Dianne Schultz

With that, I want to THANK all the folks that did a great job putting the Club House dining room back together after the Fiesta. I ran out of steam that night. I told them, Bill and I would be back in the morning to put everything back and get things back in shape. It was a blessing when we walked in. It looked as if nothing took place the night before. Sue Stang.
