## PRESIDENT'S LETTER

How y'all doing? It's fall, my favorite time of the year. I've heard we have some residents that are still recovering from different health issues. I hope when I say recovering, it really means recovering. Jerry Cap (**Calendar Man**) is one of those recovering. I heard he is planning on playing cards Thursday night Sept 26<sup>th</sup> and ready to take on the calendar again. Good News. I heard Marty Kepper is out doing some walking and so is Barb Klintman. That is also good news.

We do have a new **Sun Shine Lady**, Phyllis Orsburne in unit #876. Phyllis can be reached at 608- 513-9276 (this is a new number for her). If you hear of someone going through some medical issues, or are in the hospital or have been injured or had a death in the immediate family, please let Phyllis know.

If I heard it right, the cement and grounds work has been completed for this year. We finally got our much-needed rain for all the new plantings and trees. I saw on the internet and heard from people with rain gauges that we got 2.5 to 4 inches of rain from noon the 21<sup>st</sup> to noon on the 22<sup>nd</sup>. On that same subject, kind of, I want to THANK Ron and Sharon Lostetter and Marilyn Breunig for taking care of the flowers outside the Club House. They worked out a schedule so they knew who would be watering each week but not overwatering.

Tom Huss and the Jeff Froh have been installing acoustic tiles in the Club House. They have more of a different size on order that will be installed once they arrive. Here's hoping for the results that we all are looking for.

Sue Stang, President

## **RESIDENTS CORNER**

*From Barbara Klintman,*

To my wonderful Olympic Village Family-A big Thank You for all the well wishes that I have received. I deeply appreciate the cards and flowers from you. It is a privilege to live here with my extended family and friends. My recovery will be slow and I am grateful for your support.

## **FOOT CARE CLINIC**

Thursday October 3<sup>rd</sup> The next will be Thursday December 5<sup>th</sup>. Jane Miller can be reached at (608) 318-0856 if you want to make an appointment or have questions.

## **OCTOBER ACTIVITIES**

Don't forget we have the election of officers Tuesday October 8<sup>th</sup>. All four positions are open. If you want to nominate someone, or are interested in a position, there is still time. If you are nominating someone, it would be best to know they are interested. If we have more than one resident interested in a position, we will use paper ballots.

We will gather at 4pm and Potluck Dinner at 5pm. The meeting will be called to order once most things are pretty well cleaned up. A sign-up sheet will be on the board.

Our sale of extra dishes and glasses was pretty slow but we did sell \$251, which was given as a donation to the OV Residents Association. Remaining stock was given to DAIS who were very appreciative of our donation.

## **RESIDENTS ON THE MOVE**

Good news, no residents on the move. We have one empty unit #882. The refurbishing is near finished and the unit is being shown.

## **COFFEE HOUR**

Are you still interested in a Coffee Hour? We didn't have anyone sign up for September. I noticed that it seems like the same people are signing up. This doesn't need to be an expense for you. You just need to pick up a couple dozen of doughnuts. Make the coffee that is furnished with all the condiments. There are paper plates, coffee cups, napkins and plastic ware. You can turn in your donut receipt to the Treasurer for reimbursement.

## **FUTURE ACTIVITIES**

**November** - there are plans being made to honor our Olympic Village Veterans Tuesday November 12<sup>th</sup>. The committee of Marilyn Breunig, Marilyn Froh and Dianne Shultz would like our Veterans to give a picture of themselves (in a frame if possible) by November 5<sup>th</sup> to either Marilyn Froh in #936 or Dianne Schultz in #928. Further details about the event will be in the November Voice.

**December** - there is no date or time yet scheduled for Christmas decorations at the Club House. Also, there is no date for the Village Caroling.

There is hope that someone would sign up to sponsor some type of activity for December. A simple lunch at a local restaurant would be just what we need. A few phone calls to some local restaurants to find out how many people they can accommodate and if we can order off the menu and what date would be good.

One place that has been mentioned a number of times is Pizza Ranch. With busy schedules during the Holidays, this would be a simple gathering, where we order and pay at the same time and when ready get your food and sit back enjoy the food

and conversation. No decorating, no cleaning up just friendship and food. We could have a ride share list so everyone can get there even if they can't drive or don't drive.

If you have some other ideas, please let me know, (608) 335-3812. I think this is a great chance for some of our newer residents to meet others within the Village. It really could be an easy one to start with and it's a great way to meet more of your neighbors.

Remember, Halloween and Christmas decorations should be kept minimal. No large displays or blowup items etc.

## **TOILET REPLACEMENT**

The Olympic Village Board has approved a project to replace existing toilets that are circular and standard height with oblong, or oval-shaped, high-seated toilets. The new toilets are 16 ½ inches compared to a standard 14 ½ to 15 inches. This is not a mandatory exchange and if you wish to keep your existing toilets, no action is required.

If you wish to exchange your current toilet(s), please notify Derek Buckley at (608) 662-8822 or via email at [Derek.Buckley@atticangel.org](mailto:Derek.Buckley@atticangel.org) and let me know if you want one or both toilettes replaced. We will begin installing the new toilets at the beginning of October on a first come, first served basis.

## **MAINTENANCE ON CALL SCHEDULE**

We have created a new "On Call" schedule that allows the maintenance techs to enjoy more personal time. The new rotation includes maintenance personnel from different Attic Angel managed communities rotating every four weeks. Their names are Jim Falk (Olympic Village), Bill McChesney (Parkside Village), John Moldrem (Oakmont) and Cam Shimnick (Jefferson Square). To reach an on call tech after hours for an emergency, please call the same number you do currently; the call will be forwarded to the person covering that week. They are able to triage your emergencies and contact the various vendors that service our communities.

To reach the on call technician for Olympic Village, please call (608) 400-5126.
