PRESIDENT'S LETTER

Hard to believe that it's November. A lot of trees still have their leaves which are beautiful. What makes it even sweeter, we don't have to rake them. Seeing it's November 1st you know what that means, we can start feeding the birds. I have my feeder filled already. Now, I just need to spread a coat of the Vaseline mixed with Cayenne Pepper on the Shepard's Hook. The squirrels will only try climbing up that pole once. I guess they don't like hot spices. It works great. Don't forget to wear rubber gloves to do this.

Well, we have a new Residents Association Board that will be starting January 1st. The new President is someone who has held this position 2 consecutive terms prior to Covid, during Covid, and a year after Covid. Welcome back Hank Ruff who accepted the Position for a 1-year term. Karen Oehrlein accepted the position of Vice President for a 2-year term. Sharon Wagner accepted a 1-year term as our Secretary and Jeff Froh accepted a 2-year term as Treasurer. During the October Quarterly meeting it was brought up and voted on to have the position of Social Director. Tom Huss happily volunteered and was voted to a 2-year term. Congrats to all.

For those who have been to the Club House, I hope you noticed the acoustic tiles that were installed. Our residents Tom Huss and Jeff Froh have been doing the installation. Last night at Euchre, a number of people commented on how nice the tiles looked and blended in. Kudos to Jeff and Tom.

Don't forget to check the activities coming up for this month and December. There is a flyer about a June 2025 event being scheduled at the Fire Side in Fort Atkinson. What I hear, it's pretty funny. It's about the Ladies in the kitchen working on a Pot Luck at the church. The reason for such an early notice is one night has already sold out.

There is a sign-up sheet on the board along with the same information that is here in the Voice. Sharon Wagner has been working with The Fire Side and there are 25 seats reserved for OV residents. Getting signed up now will reserve a seat for you. The sign-up sheet has a space check if you can drive or another if you need a ride.

It really sounds like a great time.

And of course, I want to wish everyone a very Happy Thanksgiving. Safe travels if you need to be traveling.

Sue Stang, President

It is 1979, the day of the church's Centennial Celebration, and past parishioners have gathered to share hot dishes, bars, and stories from the last 100 years. Travel back to 1897 and meet Vivian's grandmother; see Karin as a newlywed cautiously navigating the politics of the kitchen; and be there in 1944 when Mavis first barreled her way through the door. The Centennial Celebration is bittersweet. Times are tough in this small farm community, and hard decisions will have to be made.
