PRESIDENT'S LETTER

Last month Ron Lostetter had a very informational session to go through the budget that was prepared by Attic Angel Finance and the OV Finance Committee. That Committee consists of Ron, Dick Rimrodt, Bill Dille, and Hank Ruff. Ron had prepared a handout for anyone who would like a copy. Carrie Hoppman, an Executive Board Member and member of the Landscape Committee, brought the plans that were drawn up by Bruce Landscape Co. Included in those plans were pictures and description of some of the bushes and trees that are suggested for planting in different areas. The Landscape Committee is still looking for some resident volunteers to be on the committee.

Our Ladies Breakfast was well attended. There were fourteen men that did a fantastic job pampering, waiting on and serving the thirty ladies. Kudos to our Veteran Chef Bob Peterson and the Sous Chefs Jeff Froh and Tom Huss.

There are two great events scheduled in March. Please check the Activities Section here in the Voice for more information.

Per the OVRA Treasurers report, 60 units out of 69 have already paid their OVRA dues for 2025. This may be the best year. I understand Jane Miller may have played a part by calling and reminding some folks that it was time to get their dues in.

I would like to welcome our new residents Sandy and Paul Kmiec. They just moved into 882. So happy to see them the very next week after moving in. They came to the Ladies Breakfast and also to the February Coffee.

Speaking of Coffee, we had a surprise guest speaker at the February Coffee thanks to David and Diane Schultz. Our one and only Jim Falk. Jim is a very experienced Curler. He said he has been doing this for many years. Over the weekend of February 15th, the National tournaments were held at many different Clubs in Columbia County, right in Jim's neighborhood.

As always, my thoughts and prayers are with our residents who are ill or still in recovery.

All stay safe!! Henry Ruff President
