PRESIDENT'S LETTER

With days getting longer, temps warming up, and geese making their way here, it must be spring. Golf season can't be far away. Next month, April 8th will be our quarterly meeting with a pot luck dinner. Social hour at 4:00pm eating at 5:00pm followed by Association Meeting. As a reminder, the folks who have reached the ripe age of 90 or more, please come as the guest of the residents in the Association. The sign-up sheet on the board in the hall is so Committee has an idea how many for setting up the tables.

April will feature a speaker covering identity theft. This will take place during donut and coffee time on Thursday, April 17th . Again, there will be sign-up sheet on the board.

Thursday April 3rd Euchre will be at 5:45pm. This will continue until fall when we go back to daylight savings time.

We still have lots of room for Bingo players. We have Bingo the last Tuesday of the month at 6:00pm. Only \$5.00 for two cards.

This is my last column for sure. I think I said that one other time but I truly mean it this time. I want to thank my Board and all the residents that have supported me in this journey.

Barry Strauss will take over as President as of April 1st. When that times come, I will be fulfilling duties that other Presidents do, golf as often as I can. Please give Barry the support that I have received from many of our residents. .

Wishing everybody a very Happy Easter and please be careful and enjoy life.

Thank You. Henry Ruff, President

RESIDENTS CORNER

I want to thank everyone for sharing their empty “tp” and “pt” rolls. These are going to be used at a Science Camp in July. I will post a picture of the project once completed.

To show my appreciation, I left a bowl of Tootsie Rolls for all to share and have a treat, and again, Thank You - Dianne Schultz

A former resident, Donna Tamboli, passed away March 16th. Donna was someone who wanted to be involved in just about everything, not only here at OV but at her church. Without even trying, she gave us so many laughs through the years. Simple things like taking a guided tour in Italy and not watching the guide and just following the folks in front of her who were not part of her tour. Long story short, the tour guide found her and got her back to her group.

Marty Kepper is still on our Prayer List. He is quite a trooper. Karen, you and Marty are in our thoughts and prayers.

Linda Soltwedel, unit 944, has moved into an assisted living facility. I know many will say they didn’t get to know her. When she and her husband moved into OV, she was caring for him who was suffering with long term effects of COVID. After he passed, Linda only had a short

time before she started to have her own health issues and needed assistance.

There will be a new resident moving into unit 948 sometime in April. Watch the May Voice for their names and phone number.

LIBRARY NEWS

Clubhouse Librarians, Phyllis Orsburne and Cris Eastin, have pared down the books and puzzles. The excess of both are on the tables in the south side of the Clubhouse where the TV is located.

If you've donated books or puzzles that are on the table and want them back, please collect them. If you want to browse the excess and add to your own library, help yourself. Any books and puzzles that remain after April 15th will be donated to charity.

A road map how things are laid out. Fiction is shelved alphabetically by author. Nonfiction is behind the cupboard doors in the right bookcase.

We ask that returned books are placed in the BLUE basket on the counter so we know what kinds of books people are interested in.

We hope our little Library fills the gap when you need something to read now, day or night, and don't feel like going to the big library down the road.
